

Ratchet Assemblies

In 25, 35 and 50mm, the Global range of heavy duty Ratchet Assemblies meets Australian and International standards. Suitable for all types of vehicles, they offer flexibility and long life durability. In lengths from 5.5 metres through to 9 metres as standard, Global can provide your lashing or tiedown solution.

Endless Ratchet Straps

In 25, 35 and 50mm, our range of Endless Ratchet Straps meets Australian and International standards. Available in a variety of colours and lengths, made to your requirements.

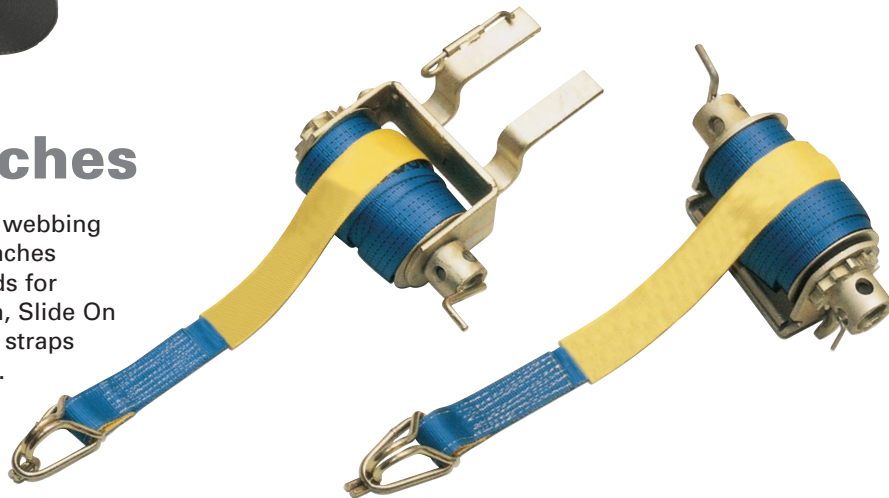

Ratchet Assembly Details

Width of Webbing	Lashing Capacity	Length
