A fall arrest harness, work positioning belt and sit harness, the Navaho Complete is ideal for alternating between movement and work positioning. EN361,EN358. Sizes: Std (1) & XL (2)

PETZL GRILLON

Portable lifeline

Long adjustable lanyard for rapid installation of a temporary horizontal lifeline. The self locking device allows easy adjustment of the length and tension between two anchor points.

Semi static rope, resistant to abrasion and aging.

Sewn terminations with plastic covers help hold the connector in the correct position and protect against abrasion.
